Dear Mr. Bentley,

Lencioni Construction Company is a Redwood City based General Contractor, building High End Residential Homes in Northern California since 1974.

Lencioni's passion for Architecture routinely uncovers design challenges that necessitate partnering with companies who are experts in their respective fields. When it comes to windows and doors, Brothers' Custom Windows & Doors continue to set themselves apart in Quality, Innovation, and On-Time Deliveries.

Brothers' offers line itemized detailed bids, Value Engineering ideas and a superb set of (Computer Aided Drafting) CAD shop drawing submittals with every project.

Lencioni Construction has built its reputation on the quality and timeliness of our work. Partnering with Brothers' has brought about the needed results in the transformation of architectural challenges into realized dreams for our clients.

Yours Truly,

Gary Lencioni
President
