Mr. Jack Topalian, President
Brothers Custom Windows and Doors
360 Industrial Road, Unit C
San Carlos, California 94070-3305

Dear Jack,

Mehus Construction, Inc. has become one of the Bay Area's premier "Builder's Builder" on a variety of superb new custom homes and residential remodels. This accomplishment role could only have been realized by assembling a team of Architects, Designers, Subcontractors and Specialty Contract Suppliers that uniquely fit each project. Teamwork and communication are the keys in achieving the delicate balance between creative design and an efficient construction budget.

On both Design Build and Architecturally Controlled projects, Brothers Custom Windows and Doors have earned our respect as a seasoned professional that delivers exceptional craftsmanship and service with unparalleled design innovation. In providing complete Architectural CAD drawings with every project, Brothers' continue to set the pace as a team player and we look forward to our next project together.

Sincerely,

Milton J. Nicholas
Vice President
